

Business English Communication

Session 1

Communication Basics

Studies tell that 70% of the mistakes in the workplace are a direct result of poor communication.

Communication works for those who work on it.

What is Communication?

- The transmission - by speaking, writing or gestures, of information which evokes understanding.

- The art of being able to structure and transmit a message in a way that another can easily understand and/or accept

- Attitudinal Skill

Communication – importance given to the 3 parameters

- Non-Verbal (body language – 56%)

- Verbal -- 37%

- Words -- 7%

Basic Communication Principles

1. Everything we do is in a way communication.
2. Real communication is the message received and not the message intended, perspectives will differ
3. Communication is a two-way street – we have to give as well as gather and interpret
